☐ Refer to File Inclusion/Exclusion node to exclude the file from build.☒ Override build options

Reset overriding options

This configuration **inherits** its device, tool, and compiler from a project configuration. None of these parameters may change.

You may, however, use 'Override build options' checkbox to change the way this file builds. You may 'override' the build options of the project configuration.

Please note that 'Exclude from Build' checkbox feature is deprecated. Please refer to File Inclusion/Exclusion node on the left to exclude the file from configurations.
