

AVR64EA28

The image shows a top-down view of an AVR64EA28 microcontroller chip. It is a rectangular component with 28 pins along the top edge and 28 pins along the bottom edge. The chip is white with black text and a logo. The text 'AVR64EA28' is printed in a large, bold, sans-serif font. To the right of this text is a circled 'e3' symbol. Below the main text is the Atmel logo, which consists of a stylized 'A' inside a circle. To the right of the logo is the number '2214321'. In the bottom-left corner of the chip, there is a small circle.

e3

2214321
