

PIN 1

AVR
16DU28
e3
415123

The image shows a square microcontroller package with a grid of pins. A dot is located at the top-left corner of the grid, with a dashed line extending from it to the text 'AVR'. An arrow points from the text 'PIN 1' to the top-left pin. The text '16DU28' is centered below 'AVR'. Below that, the number 'e3' is enclosed in a circle. At the bottom, the number '415123' is printed.
