

A vertical rectangular diagram representing memory layout. The top portion is a light blue rectangle labeled 'BOOT'. The bottom portion is a larger light green rectangle labeled 'APPCODE'. Both rectangles have a thick black border. To the right of the diagram, there are three text labels: 'FLASHSTART: 0x00000000' aligned with the top of the 'BOOT' region, 'BOOTEND: BOOTPROT - 1' aligned with the boundary between 'BOOT' and 'APPCODE', and 'FLASHEND' aligned with the bottom of the 'APPCODE' region.

BOOT

FLASHSTART: 0x00000000

BOOTEND: BOOTPROT - 1

APPCODE

FLASHEND
